

Policy Group Mtg - 13 August

① OPM vs. Agency system

annuity payment - the issue on timing

STAT a concern for how system operates
resource (systems types)

OF - no state income tax problems

OF uncomfortable with existing system
to pay CSRS retirees

clone CIARDS for CSRS -
OF resource - 2 F/T

OIT estimate on timing - end of '87
commercially available - end of '88

actual employees to do work limited (finite)

how long can we wait for internal
administration?

interim system poss. 1 Jan? FERS manual
delay ultimate system by approx. 6 mos.

- (a) politically wait up to 1 year -
go with final system
(all but OIT)
- (b) less than 3 mos - interim system

② Thrift - admin responsibility in OP Finance " " OF
